Purpose. It is something that many of us spend most of our lives looking for, but that God has designed for each and every one of us.

Young or old, married or single, no matter our level of education or experience, God's instruction is the same for all of us, "God into all the world, making disciples of all nations, teaching them to observe everything that I have commanded you."

Seniors With A Purpose, or "S.W.A.P.", is an initiative to see the older generation remain active in life and in the missions field, takes that instruction, and opens doors for the older generations. Giving opportunities to serve, to teach and instruct, and to use the skills learned throughout their lifetime in a way that glorifies God and brings growth and stability to His Kingdom.
