World Wide Building Projects

Victory Churches International is growing and expanding around the globe. We currently have multiple building projects happening. The vision of VCI Missions is to build a headquarters in every nation. This is a great vision and we are well on our way to accomplishing it!

Every headquarters would be home to a large Victory Church, a Victory Bible College, a Head Offices and in most cases, accommodations for visiting missionaries. There are always projects happening where we need skilled laborers and missions teams to help complete them. If you are a skilled labourer with a heart for missions, we want to hear from you!

Pray For...

- Drs. George & Hazel Hill that they would receive all needed protection, direction and inspiration as they lead this movement.
- Favour. As we purchase land and prepare to build in more nations around the world.
- More missions teams, especially those with labour skills, who are willing to help in the completion of building projects.
- More sponsors for our orphaned children. We need more sponsors for the children that we care for in every nation. Consider sponsoring a child in 2016 for only \$35.00/month.
