India Slum Schools

Due to the high cost of education and the need to work to support their families 50% of Indian children between the ages of 6-18 do not go to school. In fact, more than 50% of girls fail to enroll in school; and those that do, are likely to drop out by the age of 12. This is one reason that Victory Churches International helped to establish schools in the slums of India that offer free education.

We currently have 28 slum schools in operation that provide over 3,000 children with education and it is our dream to see more slum schools established in ever province and district of India. Along with education, children are also provided food, basic medical care, and most importantly are taught about Christ. The transformation that comes out of these schools is not only changing people for a lifetime, but also changing their eternal destination.

What Can I Do?

- Give!** There are many ways that you can give to VCI Missions. From special projects, sponsorship, or giving of your time and talents. Contact us to get involved!

Pray For...

- Drs. George & Hazel Hill that they would receive protection, direction and inspiration as they lead this movement.
- Support for our current slum schools.
- Opportunity to start more slum schools to help reach the nation with the love of Christ. For more teachers with a heart to reach those in need.
- The children and parents in the slums who are affected by this program. That they would come to the knowledge of Christ and experience His love and blessing in their lives.
