

VCI Global Prayer & Mission Update
July 2006
VCI of China

Prepare today for what God has for you tomorrow!

We have the privilege of moving into China to plant Victory underground churches and raise up Chinese disciples that will take their nation for Christ.

China is a closed nation and even the emails that we send to our Victory churches are coded as emails are scrutinized by the government in this communistic country.

We are building two Victory Bible Colleges in China at this time and there is a waiting list for students as the need for training is intense and many are ready to prepare for the call.

Please Pray for:

- The safety for our Chinese leaders and pastors of underground churches.
- For security for the Victory Bible Colleges, that they will be invisible to the eye of the wicked.
- For the government of China and the Chinese people that there will be revival in China.
- For finances to do the work of the ministry in China.
- Pray always for favor for our leaders.
- Pray as the Lord leads.
