The National Leader for Victory Churches of Cambodia is Pastor Joel Reimer, and the National Overseer is Dr. Al & Terry Purvis.

Victory Churches of Cambodia has Churches throughout the nation as well as slum churches Orphanages and a variety of home groups.

Joel Reimer has been there now full time for several months but began the work out there in his 3rd year of Bible school at VBCI. His vision is to plant churches there and too transform communities in the process. Eventually they need to get a foundation license from the Government. With the Foundation they can start Children's homes, churches, schools, and businesses legally. He is also believing God for a motorbike, or some good form of transportation.

Economy: Cambodia's economy slowed dramatically in 1997 and 1998 due to the regional economic crisis, civil violence, and political infighting, and foreign investment and tourism decreased. 1999 is the first full year of peace in 30 years. Pray For:

- That God would give Pastor Joel and his team creative ideas to grow the church and see people discipled
- That they would find a building that would give them room to grow
- That the Christians of Cambodia would really have a passion to serve the Lord and do something great for God
- That Pastor Joel would get a strategy for how to build God's Kingdom in Cambodia
