 National Apostolic Leader

Pastor Chris oversees Victory Churches of Liberia, and pastors the Victory Church that is located in Monrovia. He praises God for the numerous testimonies of salvations, healings and deliverances from the power of the devil. The church is moving forward and there is nothing that the devil can do about it. Victory Churches are being planted, leaders are being trained and the Kingdom is growing in Liberia. Bishop Timothy Ifedioranma has oversight of Victory Churches of Liberia. He is excited about the great work that the Lord is doing in Liberia.

Liberia is coming out of 14 years of civil war and that has brought the nation into a devastated situation whereby poverty, sicknesses and illiteracy are common among the nation's people.

**Population:** 13,482,211

**Religions:** indigenous beliefs 40%, Christian 40%, Muslim 20%

**Literacy:** 57.5% age 15 and over can read and write

**HIV/AIDS Rates:** 5.9% (2003 est.)

**Government:** Republic

**Language:** English 20% (official), some 20 ethnic group languages, of which a few can be written and are used in correspondence.

**Economy:** Civil war and government mismanagement have destroyed much of Liberia's economy. Many businessmen have fled the country, taking capital and expertise with them. Some have returned, but many will not. Richly endowed with water, mineral

resources, forests, and a climate favorable to agriculture, Liberia had been a producer and exporter of basic products - primarily raw timber and rubber.

**Pray For:**

- A godly government that will be able to lead the people
- The church to be effective in the society
- Poverty to be broken over this nation and an increase in better educational facilities, medical facilities, food and clothing.
